Counsel,

Consistent with Rule 26, Plaintiffs intend to serve updated calculations from Mr. Lasinski. His methodologies will remain the same, but he will update his calculations to reflect the additional time period at issue.

In advance of the upcoming case management conference, we would like to meet and confer about:

- The timing and process for Google to produce limited, updated information relevant to Mr. Lasinski's models;
- The timing and process for Plaintiffs to serve a supplemental report or declaration from Mr. Lasinski; and
- The timing and process for Google to serve a supplemental responsive report or declaration, if any.

Please let us know when you are available in the next week.

Regards,

Ryan
